

**Application for appointment to the Minneapolis Clean Energy Partnership
Energy Vision Advisory Committee (EVAC)
2019/2020 Term**

The Energy Vision Advisory Committee (EVAC) advises and provides recommendations to the Minneapolis Clean Energy Partnership Board on energy and greenhouse gas emission reduction activities in which the City and utilities can partner. The Clean Energy Partnership is a first-in-the-nation approach that partners the City of Minneapolis with Xcel Energy and CenterPoint Energy, the City’s electric and natural gas utility providers, to help the City achieve its climate and energy goals established in the *City of Minneapolis Climate Action Plan* and *Energy Vision 2040*. The Energy Vision Advisory Committee (EVAC) is charged with reviewing and providing feedback on work plans and performance reports; researching special initiatives as requested by the Board; and, providing outreach and promotion of initiatives as requested by the Board. Prospective EVAC members should be a Minneapolis resident or represent a business or organization located within the City of Minneapolis. To learn more about the Partnership and EVAC, please visit: <https://mplscleanenergypartnership.org/>

DATA CLASSIFICATION ADVISORY

Some of the information on this form is public data under the Minnesota Government Data Practices Act, Minn. Stat. Chapter 13. The data is being requested to provide the appointing authority information necessary to determine appointment to the EVAC committee. An applicant is not required to provide any information; however, failure to answer any of the questions on this application may cause the appointing authority to reject the application or to select another candidate. The data on this form will be maintained by Clean Energy Partnership (CEP) Planning Team, consisting of members from CenterPoint Energy, Xcel Energy and the City of Minneapolis in accordance with the Minnesota Government Data Practices Act and the non-public portions of the form, if any, will be available to individuals working on the CEP whose work assignments reasonably require access.
